

The Wine List

at

Aretsky's Patroon

Our list is organized first by varietal, then by region, beginning with France, followed by the United States, then by other countries & regions. At the end of each section are grapes and wines too unique to categorize.

Sommelier ~ David Autry

The word Patroon \p-trün\ is from the old New York (New Amsterdam) Dutch, meaning genteel landowner; essentially, a gentleman. At Aretsky's Patroon, the charm of old New York meets 21st century modernity. In a historic building that has housed a destination restaurant since the 1950s, Patroon today welcomes a convivial and urbane clientele. The building itself is the former home of Christ Cella, a beloved eatery opened in 1923 in the area that was once known as "Steak Row." Within three levels of this iconic Manhattan town-house, a business-casual crowd now enjoys everything from relaxed lunches to group celebrations to rooftop cocktails.

Elegant and timeless, Aretsky's Patroon features a main dining room and 6 private dining rooms on the 2nd floor, also a year round rooftop bar.
